

COMMUNITY Partners

Welcome to Community Partners.

The Bi-Mart Willamette Country Music Festival wants the whole community to benefit as well as get behind our event throughout the year.

Our goal is to create a partnership with the community that promotes your business, builds community involvement and helps make the Festival an important part of the business community. **There is no cost to participate.**

The Community Partners program includes:

- The Festival website will feature Community Partner businesses in our community section.
- Community Partner listing in the Festival's electronic program.

As a Community Partner you can simply show your support or you can offer Festival attendees special values at your business during the event and/or year round. There are many opportunities to promote your business and drive extra traffic to your store or location.

If you're interested in becoming a Community Partner, please contact:

Taelor Dunn, Country Music Concerts

(541) 345-9263 • taelor@countrymusicconcerts.com
